Azərbaycan Dövlət İqtisad Universiteti (UNEC) nümayəndələri nüfuzlu elmi platformalarda indeksləşən elmi nəşrlərə əsərlərini təqdim edərkən mənsub olduğu ali təhsil müəssisəsi kimi “Azerbaijan State University of Economics (UNEC)” qeyd etməlidir. Belə ki, tədqiqatçıların Scopus və Web of Science müəllif profilləri onların elmi əsərləri bu elmmetrik bazalarda indeksləşdiyi zaman Clarivate Analytics və Elsevier şirkətləri tərəfindən yaradılır. Bununla yanaşı eyni soyadlı, adlı tədqiqatçıların nəşr fəaliyyətindəki kəmiyyət, keyfiyyət göstəricilərində, müəllif profillərində və mənsub olduğu universitetlərdə əks olunmada qarışıqlığın yaranmaması üçün tədqiqatçılar tərəfindən ORCID qeydinin yaradılması və indeksləşən elmi əsərlərin Google Scholar axtarış sistemində əlavə olunması (<https://unec.edu.az/video-carxlar/>) məqsəduyğun hesab olunur.

Əlavə məlumat almaq üçün EFTİED Elmmetrika şöbəsinə <https://unec.edu.az/elmmetrika-sobesi/> müraciət edə bilərsiniz.
