jurnallar***

	<i>Jurnalın adı</i>	<i>Şəhər/region</i>
1.	Academy of management discoveries	United states
2.	Acta acustica	France
3.	Acta linguistica academica	Hungary
4.	Adolescent research review	Switzerland
5.	Advanced fiber materials	Peoples r china
6.	Advanced intelligent systems	Germany
7.	Advances in methods and practices in psychological science	United states
8.	Advanced photonics	United states
9.	Advanced quantum technologies	Germany
10.	Advanced therapeutics	Germany
11.	Agricultural and food economics	Italy
12.	Agu advances	United states
13.	All life	England
14.	American economic review-insights	United states
15.	American journal of obstetrics & gynecology mfm	United states
16.	Animal biotelemetry	England
17.	Annals of agricultural science	Egypt
18.	Annals of pde	Netherlands
19.	Annual review of control robotics and autonomous systems	United states
20.	Apl bioengineering	United states
21.	Axioms	Switzerland
22.	Batteries-basel	Switzerland
23.	Behavioral sciences	Switzerland
24.	Biochar	Peoples r china
25.	Bioengineering-basel	Switzerland
26.	Biomaterials research	South korea
27.	Biomedical engineering letters	South korea
28.	Biomimetics	Switzerland
29.	Bmc complementary medicine and therapies	England
30.	Bmc psychology	England
31.	Bmj evidence-based medicine	England
32.	Bmj military health	England
33.	Bmj open respiratory research	England
34.	Bmj paediatrics open	England
35.	Breast cancer-targets and therapy	New zealand
36.	Business and politics	United states
37.	Caai transactions on intelligence technology	England
38.	Carbon energy	Peoples r china
39.	Cell reports medicine	United states
40.	Cell reports physical science	United states
41.	Clinics in orthopedic surgery	South korea

42.	Clinical and translational radiation oncology	Ireland
43.	Cogent food & agriculture	England
44.	Communications earth & environment	England
45.	Comparative migration studies	Switzerland
46.	Computational visual media	Peoples r china
47.	Contemporary south asia	England
48.	Current addiction reports	United states
49.	Current nutrition reports	United states
50.	Current opinion in biomedical engineering	United states
51.	Current radiopharmaceuticals	Netherlands
52.	Current research in food science	Netherlands
53.	Current reviews in musculoskeletal medicine	United states
54.	Demonstratio mathematica	Poland
55.	Depositional record	England
56.	Developments in the built environment	England
57.	Discrete analysis	England
58.	Drones	Switzerland
59.	East european politics	England
60.	Eclinicalmedicine	England
61.	Ecomat	Germany
62.	Economics of transition and institutional change	England
63.	Environment and planning e-nature and space	England
64.	Environmental science and ecotechnology	Peoples r china
65.	Epilepsia open	United states
66.	Erj open research	England
67.	Etransportation	Netherlands
68.	European stroke journal	England
69.	European urology open science	Netherlands
70.	Facial plastic surgery & aesthetic medicine	United states
71.	Fire-switzerland	Switzerland
72.	Food webs	United states
73.	Forensic science international-digital investigation	England
74.	Frontiers in astronomy and space sciences	Switzerland
75.	Frontiers in forests and global change	Switzerland
76.	Frontiers in sustainable food systems	Switzerland
77.	Geus bulletin	Denmark
78.	Global finance journal	Netherlands
79.	Health information science and systems	England
80.	Heliyon	England
81.	Hemasphere	United states
82.	Hss journal	United states
83.	Human reproduction open	England
84.	Humanities & social sciences communications	England
85.	Ieee reviews in biomedical engineering	United states
86.	Ieee transactions on computational social systems	United states
87.	Ieee transactions on emerging topics in computational intelligence	United states

88.	Ieee transactions on green communications and networking	United states
89.	Ieee transactions on intelligent vehicles	United states
90.	Ieee transactions on sustainable computing	United states
91.	Indian journal of public health	India
92.	Information and inference-a journal of the ima	England
93.	Inform's journal on applied analytics	United states
94.	Injury epidemiology	United states
95.	Innovation in aging	United states
96.	Innovation in language learning and teaching	England
97.	Inorganics	Switzerland
98.	International journal of agriculture and natural resources	Chile
99.	International journal of evidence & proof	England
100.	International journal of extreme manufacturing	Peoples r china
101.	International journal of law in context	England
102.	International journal of oral implantology	Germany
103.	International journal of pharmaceuticals-x	Netherlands
104.	International journal of social psychology	England
105.	International journal of systems science-operations & logistics	England
106.	International journal of transgender health	United states
107.	Integrative organismal biology	United states
108.	Internet of things	Netherlands
109.	Journal of behavioral and experimental finance	Netherlands
110.	Journal of benefit-cost analysis	England
111.	Journal of big data	Germany
112.	Journal of civil engineering education	United states
113.	Journal of the civil war era	United states
114.	Journal of current southeast asian affairs	Germany
115.	Journal de l'ecole polytechnique-mathematiques	France
116.	Journal of educational administration	England
117.	Journal of elections public opinion and parties	England
118.	Journal of energy & natural resources law	England
119.	Journal of environmental science and health part c-toxicology and carcinogenesis	United states
120.	Journal of environmental and public health	United states
121.	Journal of evidence based medicine	Peoples r china
122.	Journal of functional biomaterials	Switzerland
123.	Journal of intelligence	Switzerland
124.	Journal of management analytics	Peoples r china
125.	Journal of neuromuscular diseases	Netherlands
126.	Journal of nursing regulation	United states
127.	Journal of physics-materials	England
128.	Journal of polymer science	United states
129.	Journal of robotic surgery	United states
130.	Journal for the study of education and development	England
131.	Journal of traditional and complementary medicine	Taiwan
132.	Journal of vertebrate biology	Czech republic

133.	Jbi evidence implementation	United states
134.	Jco oncology practice	United states
135.	Jfr-journal of family research	Germany
136.	Jhep reports	Netherlands
137.	Jor spine	United states
138.	Korean journal of anesthesiology	South korea
139.	Lancet microbe	England
140.	Lancet regional health-western pacific	England
141.	Lhb-hydroscience journal	France
142.	Lubricants	Switzerland
143.	Machine learning-science and technology	England
144.	Marine life science & technology	Peoples r china
145.	Mathematical programming computation	Germany
146.	Microbial cell	Austria
147.	Microbial genomics	England
148.	Microbial risk analysis	Netherlands
149.	Middle east critique	England
150.	Motivation science	United states
151.	Movement disorders clinical practice	United states
152.	Multidiscipline modeling in materials and structures	Netherlands
153.	Nature cancer	England
154.	Nature food	England
155.	Nature reviews earth & environment	England
156.	Ocean and coastal research	Brazil
157.	One earth	United states
158.	Operations research perspectives	Netherlands
159.	Ornithology research	Brazil
160.	People and nature	England
161.	Photonix	Peoples r china
162.	Physical and engineering sciences in medicine	Netherlands
163.	Physical therapy & rehabilitation journal	United states
164.	Phytopathology research	Peoples r china
165.	Plant communications	Peoples r china
166.	Plant phenomics	Peoples r china
167.	Plants people planet	England
168.	Polar research	Sweden
169.	Preventive medicine reports	United states
170.	Progress in biomaterials	Germany
171.	Protection and control of modern power systems	Peoples r china
172.	Prx quantum	United states
173.	Psychology of popular media	United states
174.	Psychology of sexual orientation and gender diversity	United states
175.	Research and practice in thrombosis and haemostasis	United states
176.	Research	Peoples r china
177.	Ried-revista iberoamericana de educacion a distancia	Spain
178.	Rsc medicinal chemistry	England
179.	Siam journal on mathematics of data science	United states

180.	Small structures	Germany
181.	Ssm-population health	England
182.	Studies in psychology	England
183.	Synthetic biology	England
184.	Systems	Switzerland
185.	Transactions of the association for computational linguistics	United states
186.	Thermal science and engineering progress	England
187.	Toxicological research	Germany
188.	Transgender health	United states
189.	Tropical medicine and infectious disease	Switzerland
190.	Water research x	Netherlands
191.	Water resources and industry	Netherlands
192.	Wiley interdisciplinary reviews-computational statistics	United states
