RÉF: 90th anniversary celebration of Azerbaijan State University of Economics

Dear Rector Professor Adalat Muradov,

It is a great pleasure to congratulate you, the staff, students and alumni of the Azerbaijan State University of Economics for the wonderful achievements since its inception 90 years ago.

On this very special occasion of the 90th anniversary celebration of the Azerbaijan State University of Economics, I would like to wish a fruitful and memorable event, and a continued success in your future endeavors.

Over the past years, the Azerbaijan State University of Economics (UNEC) and the Université de Montpellier (UM) have been collaborating very closely. In November 2015, we signed a framework agreement between our two institutions. We are now running a double diploma, with 15 students for UNEC studying in IAE Faculty each year. Partnership is an essential component of higher education today and France and Azerbaijan have a long tradition in collaborating in Science and Education.

I wish to express my best wishes to the Azerbaijan State University of Economics for a continued success over the next years and for a continuous fruitful collaboration between our two universities.

Sincerely yours,

Philippe AUGÉ
President
