#### Short Introduction:

"Within the framework of the EU-funded project "Support to the Implementation of the Mobility Partnership with Azerbaijan (MOBILAZE 2)", the International Center for Migration Policy Development (ICMPD) jointly with the State Migration Service (SMS) implements the **Integration Programme for migrants and refugees living in Azerbaijan**".

**The reason why foreign students are invited:** Foreign students are on the status of student migrants and considering that they will stay in the country for more than a year, they will need to go through a smooth integration process.

#### Date and Time:

October 18, 2023, from 11 am until 1 pm (UNEC)

#### Who can come?

Foreign students at the UNEC, preferably students who have newly started their first year, however, we do not exclude others. This event will not be interesting for those who are ethnic Azerbaijanis but hold another citizenship, considering that they already speak Azerbaijani and are privileged to speed up the integration process.

#### Number of students:

30-50 students are the perfect number for speakers.

#### How to register?

Please, contact with your coordinator from the International Relations Department.
